**Note:**

- (a) All the lessons above are suitable for JC2 students.
- (b) T1 or T2 or V1 or V2 are suitable for JC1 students if you have learnt Integration techniques and the whole of Vectors up to planes already.
- (c) T1 and T2 are the same lesson so choose either one of them to attend will do. Likewise for V1, V2 etc and so on. Basically for the same topic, choose one code among those available to attend will do.
- (d) As this is a crash course, do not sign up for any crash course you have yet to learn in school.
- (e) Do not sign up for V1 or V2 if you are currently in JC1 and have only learnt basics of Vectors and lines. This means that you have not learnt the concepts of Planes yet under Vectors, please do not sign up for V1 or V2 as it will cover all the way up to planes. If you have learnt the whole of Vectors, you may sign up for either V1 or V2.
- (f) The cost of each crash course lesson is \$105 be it online or physical lesson.
- (g) To register for the crash course(s), please fill up the registration form and Whatsapp the form to the Centre at 83881912. The Centre will get back to you upon receipt of the completed registration form and will confirm the availability of the slots for the crash courses indicated in the registration form. Upon confirmation of the slots via whatsapp from the Centre, you will then proceed to make payment (see (f)).
- (h) Payment of the total fee can be made either by Paynow or Paylah to the centre at HP: 83881912. You **must** indicate the name of the student in the Paynow or Paylah transfer. After the transfer is made, please drop the centre a whatsapp at this same number 83881912.
- (i) There will be **no refunds** to the crash course lesson(s) if a student failed to turn up for a lesson.
- (j) Upon receipt of payment, the crash course worksheet will be whatsapp to the student at least 3 days before the date of the lesson so that the student has ample time to try out the questions before attending the lesson.
