

Schedule of Crash Courses for 2024 Sec 3 A Math\IP Math

Date	Time	Topic	Code
12th Oct (Saturday)	3pm to 5pm	Circles	M1
19 th Oct (Saturday)	3pm to 5pm	Circles	M2
26 th Oct (Saturday)	3pm to 5pm	Indices, Surds, Quadratic equations and Inequalities	M3
2 nd Nov (Saturday)	3pm to 5pm	Exponential and Logarithmic Functions	M4
9 th Nov (Saturday)	3pm to 5pm	Remainder and Factor Theorem and Partial Fractions	M5

Remarks:

1. The worksheet to each lesson will be whatsapp to students at least 3 days before the commencement of each lesson and students are required to try out the questions in the worksheet before they come by for lessons. These crash courses will help to consolidate students' learning for topics that are taught this year before moving on to Sec 4 next year.
2. Each lesson is \$85.
3. You can contact the centre via whatsapp or a call at 83881912 to enquire about vacancies for the lessons. The centre will then advise you on the payment details.
