- (c) Do not sign up for M2a or M2b if you are currently in JC1 and have only learnt basics of Vectors and lines. This means that you have not learnt the concepts of Planes yet under Vectors and as such, do not sign up for M2a or M2b as it will cover all the way up to planes. If you have learnt the whole of Vectors, you may sign up for either M2a or M2b.
- (d) The cost of each crash course lesson is \$105 be it online or physical lesson.
- (e) To register for the crash course(s), please fill up the registration form and Whatsapp the form to the Centre at 83881912.
